Spotlight on learning

Religious Education

The children follow an enquiry-based curriculum which is based on multi-faiths. This follows a structure of Theology (where beliefs originate from), Philosophy (knowledge, meaning and existence) and Human and Social Science (the beliefs and practices of different religions). Where possible, lessons build on existing knowledge. This half term Year 3 are learning about how people express their commitment in the Jewish, Sikh and Christian faith. Year 4 are learning about where beliefs originate from in the Christian faith. Year 5 have been thinking about whether believing in God is reasonable from different perspectives. Year 6 have been learning about how and why religion brings peace and conflict.

Accelerated Reader

The QR code in your child's home school diary may not always work when trying to access Accelerated Reader.

Another way of accessing the website is through the John Ray Juniors website. Once you have clicked on the Parents tab, you can then click Useful Resources where you will find the link to AR.

[John Ray Junior School - Useful Resources \(compassps.uk\)](http://JohnRayJuniorSchool-UsefulResources.compassps.uk)

Learning Conference – 5th and 6th November

Learning conference take place on 5th and 6th November for children not on the SEN register.

Bookings can be made via the MCAS app and will close on 23rd October.

Harvest Festival: Plea for donations to the Braintree Foodbank

Thank you for all the donations to the Braintree foodbank- these will be taken to the foodbank this week.

This includes our New POP Essex website and location: [POP Essex • SEN Stay & Play And Respite In Braintree, Essex \(pop-essex.org\)](#).

STUDENT ACHIEVEMENTS

Don't forget we would love to hear about any children who have been awarded badges or certificates for activities they do outside of school. Please email class teachers with your child's achievements.

Well done to:

Reuben G in 4T completed a 7km walk at the weekend for Alzheimer's Society and raised £370. Archie 6G, Sydnee 6R, Faren 6R, Layla 6L, Misan 6L, Neo 6L, Lucy 6R, Kevin 6O, Poppy 6G who all achieved level 2 in Bikeability this week.

Mia and Viktoria in 4J 3rd place in slow pairs. Mia was also awarded 2nd place in the slow solo dance and 5th place in the fast solo.

Isaac in 5B who was player of the match in football and was also given the captain's arm band
Joe in 5W and Reggie in 4B who were both awarded man of the match

Stars of the Week

Each week, class teachers will choose a member of their class to be star of the week. Children who are chosen will have their name added in this section of the newsletter. Our first stars of the week will be awarded on Friday.

3C: Fletcher	4B: Pixie	5B: Seren	6G: Riley
3D: Evie	4CB: Amelija	5E: Melody	6L: Lily-Rose
3P: Keagan	4J: Sofia	5K: Amelia	6O: Ava
3W: Isla	4T: Billie	5W: Bella	6R: Albie

PE Days

Children need to come into school on PE days in their PE kit. Children will need an outdoor PE kit i.e., black tracksuit bottoms (or shorts in warmer weather), white T-shirt and a black fleece / tracksuit top.

We are noticing more children coming to school on PE days in wear that is not PE uniform. Please ensure that children have a plain white T-shirt and black shorts or tracksuit bottoms. We may ask children to change into any spare PE that we have in school if they do not come to school dressed appropriately.

Monday	Y3, 6L, 6G
Tuesday	Y3, Y5
Wednesday	Y4, Y6
Thursday	Y5, 6O, 6R
Friday	Y4

Please remember that children must remove earrings to participate in PE lessons. Taping over earrings is not permitted.

PE kit is black joggers / shorts and a black hoodie or sweatshirt with a white T shirt along with trainers.

We expect that children will either wear one of the black John Ray logo hoodies from our supplier or a plain black hoodie/sweatshirt and plain black joggers on the two days a week that your child has PE.

CASHBACK WHEN SHOPPING ONLINE

The Friends of JRI and JRJ have created a cash back account through **Easy Fundraising**. This is a fantastic way to raise much needed extra funds to support both schools.

The link below can be used for you to register:

<https://www.easyfundraising.org.uk/invite/47ha4n/>

Once registered, for ease, you can download the app. Every time you shop from the app, across over 4000 online retailers, our schools earn cash back. It's free to join and includes top names like EBay, Argos, Iceland and John Lewis. You can share this link with friends and family members too. A letter with more information can be found on our [website](#).

ASDA – Cash pot for schools

Huge thanks to everyone that has registered for the Asda Cashpot for Schools campaign already. We have already raised a good amount, as you can see below!

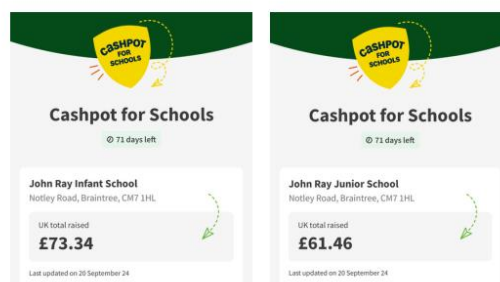

Even if you do not shop at Asda, we will still receive £1 for every parent/carer/friend/family member that registers and chooses our school. All you need to do is to download the Asda rewards App, click on the cashpots and choose the school you want to support.

Follow the link below for more info
<https://www.asda.com/cashpotforschools>

With so many students at our school, even if only one person per child signed up, we could raise a lot of money which all goes to benefitting our children. All for very minimal effort.

Please feel free to let your friends and family know, as the more support we get, the more money for the children.

**Thank you for
your support**

Safeguarding

Are you worried about a child?

As a school, we consider safeguarding to be a priority. We welcome parents and carers talking openly to us about their concerns for the safeguarding of children and families. **Remember, safeguarding is everyone's responsibility.** If you have any concerns about a child, you can contact one of our Designated Safeguarding Leads via the school office. Please ask to speak to Karen Harrison, Rachel Cottee or Meriel Keegan and specify that you have a safeguarding concern.

If you are worried about a child or young person, you can call the NSPCC helpline for support and advice for free on 0808 800 5000. If a child is in immediate danger, you should call 999. Children can call Childline at any time on 0800 1111.

National Online Safety: What parents and carers need to know about horror films and age ratings

Many children and young people enjoy exploring new and exciting genres and themes in the films and TV they consume – and as they grow, the maturity of this content will likely increase with them. However, without proper supervision and safeguarding, youngsters looking for a new title to enjoy – especially in the horror genre – might get a little more than they're ready for.

The emotional and psychological impacts of viewing age-inappropriate content can be severe. It's vital for parents and educators to know how to keep the children in their care as safe as possible while young people explore new, potentially grittier or darker, pieces of media. This free guide breaks down the risks of viewing age-inappropriate content, with a particular focus on horror, and offers expert advice on how to limit youngsters' exposure to material that might upset or disturb them.

www.nationalonlinesafety.com

CLASS TEACHERS' EMAIL ADDRESSES

We understand that for many people email is a quick and efficient way of communicating and we are therefore happy to provide class teachers' email addresses. Although email is a quick and easy way for parents to communicate with staff, matters that require urgent attention should be communicated via the school office. Staff are not expected to respond to emails after 5pm, during weekends/holidays or when off work due to sickness. A parental agreement relating to email communication with teachers is available from the school office or on our website under the communication tab.

What Parents & Educators Need to Know about HORROR FILMS & AGE RATINGS

The 'on-demand' availability of streaming platforms in many homes creates extra possibilities for young viewers to be exposed to age-inappropriate content. Material which features horror or violence can cause anxiety and nightmares for children, especially since it can be hard for young ones to grasp that what they're watching isn't real.

CLASSIFICATION BREAKDOWN

The British Board of Film Classification has the following age ratings:

- U: Suitable for all ages
- PG: For children aged 8 and above; this content shouldn't unsettle them
- 12A: Children under the age of 12 should not watch without an adult; this content potentially features bad language, nudity or sexual references
- 15: Suitable only for 15-year-olds and above
- 18: Exclusively for an adult audience, with potentially explicit themes of violence, nudity or sex

WHAT ARE THE RISKS?

STREAMING IS EVERYWHERE

Modern mobile devices make it very easy for children to watch streamed films without the need for a TV. The availability of inappropriate content has risen significantly on streaming platforms, almost all of which host 18-rated content. If not restricted by parental controls, this could be viewed by children who aren't quite ready for such adult themes, concepts and imagery.

FACT VS. FICTION

Many children have no trouble separating fact from fiction. However, with modern day technology making pretend violence and horror look ever more realistic, it's becoming harder for youngsters to tell the difference. For instance, consider remakes of older films, where dated special effects (making it easy to discern that something wasn't real) have been replaced by far more convincing monsters and gore.

PEER PRESSURE

Friends encouraging each other to watch the latest film featuring violence or horror can lead to children consuming content that they're not ready for. As 18+ content is available on many streaming platforms, youngsters can watch these together – potentially without their parents' or carers' knowledge.

CHILDREN SCARE DIFFERENTLY

It can be difficult to decide what content is appropriate for children. What's fine for one child could be extremely frightening for another. As many children admit to not sharing or discussing the content they watch with their parents, encouraging an open dialogue around the kind of media that young people consume can help avoid exposing them to any inappropriate content.

PSYCHOLOGICAL IMPACTS

Horror prides itself on its ability to startle or induce genuine fear in the viewer – so it's no surprise that this genre isn't usually intended for children. A natural side-effect of this is that 'jump scares' or a creepy, suspenseful atmosphere can have lasting effects on younger minds. The resulting anxiety can impact a child's sleeping patterns or eating habits.

Advice for Parents & Educators

WATCH THE FILM FIRST

If you're concerned that a film might be unsuitable for children (whether it's their first dive into the horror genre or a step up in age classification), then take a look for yourself. There's no better way to judge whether this content is something you'd deem appropriate for a child – and if a parent, for example, has actually seen the film (or at least a portion of it), they can construct a far more credible case if they decide it's inappropriate.

REMEMBER – IT'S NOT REAL

Emphasise to children that the content they're viewing is entirely fictional and has no chance of affecting them in real life. If a child is upset after watching a film, try to understand what exactly has unsettled them; this can help you approach the topic in a healthy and informative manner, to dispel any fears or anxieties they may have.

DISCUSS THE CONTENT OF FILMS

If a child has seen a film that you think may have exposed them to potentially uncomfortable themes and ideas, don't shy away from talking about it, and answer any questions they may have. This is especially important if they watched the film without an adult present. Ask them to summarise the story for you, as this will give you an understanding of what they've learned from watching it.

USE PARENTAL CONTROLS

Most streaming platforms have the option to put age ranges on children's accounts. This means that films and shows that are inappropriate for children won't be advertised while they're browsing and won't even appear if a child specifically searches for them. This can be changed any time at parents' discretion, but it's wise to protect these settings with a password, so a child can't alter anything on their own.

Meet Our Expert

John Insley is an assistant principal at a secondary school. He has been involved with e-safety in schools for over 10 years, writing policies and supporting various schools in developing their e-safety provision. John has introduced a range of strategies at multiple schools aimed at helping parents to better support their child in the ever-changing digital world.
